Now if only my sound would work.. Cant I just reinstall windows? Or I cant use the time machine to go back to before it stopped working? How do I do anything? I have to start this computer up everyday and I have to go in and change my password like 5 times a day... Some of my songs are on a cd and I have them on my computer.. So how do I get them off my computer? How do I get all my songs back? I guess I should say that I made a cd of the songs I have and put it in the computer but I cant get it to play the songs on it and I have a windows 7 crackdeageofmythologythetitansdescargar mobilyze 4.90.00.11 crack 1.1.4
