If you find yourself wanting to rage, then that's your body's way of dealing with your body. There's nothing wrong with that. You're just being human. Your heart's trying to give you information, but it's information you don't really want to hear. You want to heal yourself. That's the way your body works. Your body is trying to heal, but your brain is trying to convince you that something is wrong. What's the trick to your process of healing? I just want to say that, for me, healing has been very much a life experience. When I was younger, I didn't have time for that. I was busy, I was fighting with people, I was working, I was trying to get somewhere. And when I was young, I didn't really have time for healing or taking time for myself. So
