It is not uncommon for students to have a poor view of the profession. This article explains the methodology of the NCSL Technology Integration. One of the best sellers on Amazon. Tales of a new era January 13, 2018 Free time. There's a lot of time that we enjoy in this digital age. No daily routine, no mindless jobs - just us. There's so much time and with all the fun activities that are available, it can feel like there's nothing to do. Our mind screams "Why don't you do something?!" There's a reason why people have so much time on their hands. It's because you're living in a period of history where it was never easy to keep time. We're on the verge of a golden age - our lives are never more exciting, and never will be! What is it that's appealing about the future? It's all about time! We don't need to keep time anymore. We don't need to do stuff like to go to work or to do homework. We don't need to even go to school - there's no reason to go out. We're living in the Golden Age of Free Time. What's so great about free time? Because we have it all. We can enjoy our own time, get up whenever we want, go for a walk whenever we want, and do whatever we want! Free time is so great because we don't have to get used to anything. We don't have to learn to wake up at 8AM to go to work. We can spend our time on activities we want to. We don't need to be bothered by the world of business and stuff. Why is free time so great? Because there's a lot of great things that we can do and we get to enjoy all of them. Going for a walk, going to school, going to work, going to the movies, going on a date, going out to a nice restaurant, etc. There's so much to do. We don't have to try to figure out how to get anywhere and when we're there, it's easy. We get to go where we want to go, when we want
