legislation and the rules, but when a hard reality comes down on each of them in turn, each girl finds herself trapped in her own private hell, captured by cruel captors who show neither mercy nor compassion. This monster issue, filled with only the filthiest and sickest images associated with broken babes and gang hammer orgies, is a great purchase since you get three absolutely unclean, humiliating, and shameful stories within one! These babes are in for a real huge surprise, as they wake up in a dungeon-like prison, only to discover that their captor has made them his sex slaves and they are now in for some real sexual punishment that they'll never forget! Now these cuties go out on a safari that involves getting tied to a tree, receiving a hot whipping, waterboarding, and then a dual electric shock torment! And one of these girls winds up becoming a meal for the big ol fish in the center of this sordid scene! It's not pretty, not nice, and not safe, but you know that these girls will love every minute of it!
