The FUT Team is the ultimate way to play the game with unparalleled depth and flexibility. As a manager, you get to create a team that will play its way as you manage tactics and formation changes throughout your career. As a player, your journey as a pro is told through the items you unlock and the tactics you learn. FOOTBALL FIFA 22 builds on the award-winning foundations of last year's FIFA franchise by delivering a comprehensive and immersive new gameplay experience, featuring an improved visual engine, tackling system and more ways to play. FIFA 22 also introduces all-new gameplay innovations, including animation that reflects every twist, turn, and collision, delivering a more authentic football experience. INFLUENCE AND MOTION PASSING Add a new dimension to how you control your teammates in matchmaking thanks to the new Influence system, which lets you choose your "role" before playing. This allows for dynamic and controlled football games, as you dictate the pace and flow of the match. INERTIA The new Inertia system improves the level of ball control on the pitch, making plays even more fluid. You can now influence the ball's movement depending on its current trajectory, or use it to shield teammates from danger. Ball physics have been improved in FIFA. Players now more realistically react and react better to changes in speed, pace, trajectory, and spin on the ball as it moves through the air. FEATURES Additional features include: All-New Control System Seamlessly apply different tactics and formations on the fly and use your club's depth of talent to dominate your opposition. Enhanced Interaction Improved visual cues to improve football play and to simulate the real-world environment. A Football Universe In FIFA 22, every action you take will shape the trajectory of your club and your player career. A revolutionary control system that automatically influences all of your interactions, regardless of your location on the pitch. AI Playmaker Replace your best attacking midfielder with our AI Playmaker. You can command any action in a match, even if the ball is with your opponent. As you progress, your success will inspire your team to perform better. Boss Controls As a manager you can improve your success by teaching players to play the way you do. With the All-New Camera angles, the spotlight will point at the player that you choose. FIFA 22
