Over half a century ago, Clea was born, the oldest child and heir to a venerable line of witches. She was an unremarkable witch in a history of unremarkable witches.

Centuries later, in the wake of the Great War that devastated the world and began the chaos known as the witching hours, Clea's powers are awakening. In the role of Clea, players revisit the grim streets of Clea's hometown: a dirty, downtrodden city of tenements, bars, and a few cobblestone squares. Armed with nothing more than her wits and supernatural powers, players take

on the role of Clea and try to survive amidst a violent populace. The world of Clea 2 is open-ended, allowing players to shape their journey and make their own stories. They will soon find out that Clea's cruel fate was not that she has no other role in this world, but that no one will show her mercy. What's new:

, the iconic Vesperia soundtrack and more in the trove of Platinum treasures that have swept out of the foreboding temple of Valhalla. Vesperia: Definitive Edition Adventurer Starter Pack includes the original franchise's complete soundtrack, the newly remastered and remixed Collector's Edition of the game, an awesome-looking double-sided poster with official art and character designs, and a bonus super-rare item with stats matching those of the original hero! Platinum Members will also have access to all future DLC. Find out more about this game and others in the Platinum Vault! Vesperia: Definitive Edition is a beautiful remaster of the critically acclaimed RPG action game set in the Imperial City of Ael-Torr. During your travels the brave hero will come into contact with numerous characters, each of whom asks for help, presents an opportunity to further the hero's skill and abilities, and earns the hero's allegiance. The fallen Empire of Ael-Torr lays at the heart of a civil war among three factions vying for control of the sprawling metropolis. Each faction is led by a Daedra, a powerful demon which seeks to return to the Dark Realm and reshape the world in its own foul image. Join the Imperial Guard, Wretched Scribes or Anfelan Guardian as they join forces with the Imperial City's new empress to defeat and drive back both the Daedric invaders and their mercenary followers. Adapt New Mechanics! - including a brand-new Prodigy class, the bloodthirsty Fal'Cie Tamriel, new quests and missions, along with all-new combat mechanics specifically designed to create challenging, action-RPG combat. Adapt New Characters and Spell Engine! - prepare for a brand-new playable story as you continue your adventures with two of the game's returning heroes and enter into an exciting new faction this time a Scribe class who once hailed from Duinwald, but has now grown weary of the war's toll on them and their homeland! Adapt New Classes! - new professions and skill trees, class-specific equipment, stats, new battlefield abilities, combat arts and character traits bring more variety and tactical depth to the playable roster of characters you'll encounter during your quest. Speculation - New and Improved! - with the help of members of the press worldwide, Final Fantasy XV's lead artist

and lead console producer Hajime Tabata has revealed some new details about the upcoming Xbox One and PlayStation 4 game's

Pong is coming to the App Store. This is not a parody. This is Pongo the Perky Ant. I've spent over a year making my way from an inconspicuous ant to the number one app on the App Store! Now's my chance to create the game I've always wanted to make. I've never had the opportunity to personally create my dream game! I wonder what my game will look like when it's finished. It's sure to be incredible! Imagine an endless runner game where you are Pong. That's right, the classic game of Pong is coming to the iPhone! Pongo runs everywhere, you can shoot him, and he can bounce off walls and other Pong characters. The graphics are amazing! It's exactly like the game of Pong, but it's all there: the bats, the balls, the paddle. If Pong is your favorite game, then I hope you'll join me on this journey! Who knows? You could be the one to discover your favorite mode in Pongo! I am

so excited about this game! Let's make some noise! Features:

- Free!
- Endless runner game!
- Five playable characters!
- Five game modes!
- Amazing graphics!
- Spectacular music!
- Intuitive controls!
- No advertisements!

And the best part is - it's totally free! Follow us on: Facebook: Instagram: Twitter: Google+: About: We are a small independent game studio that have been working on Pongo for over a year. Thanks for taking this journey with us! Pongo is available for free on the App Store! For any issues, questions, comments, and/or feedback, please contact us at ponggame@mac.com Your Pong Game Squad! Hi. Just build the game and I released it on the App Store. Have a fun with the game. But I'm not the developer of the game. It's already released in the App Store.
