## Nazrul Geeti Swaralipi Pdf 483 1 [REPACK]

it is worth remembering that nazrul s songs are easy to sing and hard to sing badly. they are a medium which allows anybody to sing them beautifully. in the sixties, one of the big problems with nazrul s songs was that the fifties music industry was simply not producing enough good singers to perform them. the very first time i was able to sing my own song was the moment when i found myself accompanying kazi nazrul. i just sat there and sang. there were no words, no notes, nothing. i just sang what i wanted. pablo is often referred to as the father of nazrul s music. his compositions ranged from mukhosh to shankar alo, but the student who became the main interpreter of nazrul s songs was the great hindustani singer noor jehan, who was born in 1920 and died in 1980. our assumption however is incorrect. meghla had invited the young man, also named meghla, to accompany her to the studio, where she would sing nazrul geeti, which he had heard about and wanted to know more. she is actually singing the song as part of the bangladesh music conference. the young man, who has been playing up to now, suddenly sits down and bursts into tears, bawling, this is what im going to be if i dont get married. i want to be a nazrul geeti singer. the day im 16, i will leave home and sing. the young man, whose name is only ruhul, has a firm belief in nazrul geeti as a voice for the people of bangladesh, which he hopes to sing to the world. he has found his voice, and he is sure that he will leave home to sing. he will do so as soon as he becomes 16, the age he will turn if he does not get married. his mother will not let him go. she will do what she can to prevent it.

reading and listening. to  
make a small  
achievement in life, you  
must make a big effort.  
to reach that level, you  
have to make some  
effort. that is what nazrul  
sangeet is about. i  
suggest that as part of  
our curriculum, we  
should teach nazrul  
sangeet in schools. we  
have to do everything in

our power to reach that goal. so, for instance, we have produced a book called nazrul sangeet modernised, which has been published in hard copy and digital formats. we also have a facebook page. we have classes online. we are trying to work with schools and also with college level music institutes to make

them aware of this music. they are the ones who can help. there are several things that are difficult to explain. its not as easy to explain nazrul sangeet as it is to explain shakespeare or ajay birlas poetry. you can explain what he wrote, why he wrote it, but you cannot explain what he is. as shakil

says, one can explain everything to somebody else. but to the artiste, he doesnt need an explanation. but to the younger generation, they want explanations. thats what we are trying to do. the film industry has long held that nazrul s songs are outdated and have lost their interest value.

accordingly, he has only been awarded an honorary title of singer in the national cinema academy. an actor who plays a singer in the television adaption of his songs appears to be a rare occurrence, particularly for those nazrul admirers who follow his music like the zealous fans they are.
