
REPACK Elden Ring: Deluxe Edition SKiDROW CODEX [v 1.02 + DLC] X64

The ELDEN RING is a new RPG that encourages you to have fun in co-op and share a journey with other characters. Using a unique collaborative system and a design that actively allows dialogue, delve into the world of "Rise, Tarnished". Create your own character with different hairstyles and facial shapes, and take the role of an adventurer as you journey to the Lands Between. There are open-world dungeons in which you can explore and experience the world without restriction. However, dungeons can be replayed as many times as you like. HORROR IN THE LANDS BETWEEN Dark legends have been spreading throughout the Lands Between. It is imperative that we send our friends to assist our lord. For a hero's awakening, only you can wield the four powers of the Elden Ring and fulfill the Lord's missions. • The Unyielding Power of the Elden Ring Using the power of the four elements, you can overcome the trials of the world. You can rekindle your courage and perseverance, grow your strength, and learn the power of the Elden Ring. • Overcome Possibility and Set the World in Order In addition to you, a friend can join you in the game, allowing you to enjoy cooperative play. Different from other multiplayer online RPG games that use the party system, in "Rise, Tarnished" the players are closely connected to each other and their decisions affect the entire world. - All the information above is just for fans. We do not have any plan to give early access to the game. In order to meet fans' interest, the prototype version will be available at an early stage for people who want to try out "Rise, Tarnished". - Early version function of "The Land of Rise, Tarnished" *This update may affect server stability. *The amount of information provided above does not constitute a detailed description of the game and may be changed after its release. *For details about the early version, please check in the site.
