"œ . That was the telephone number Jon called me from. I knew it was him because I was actually looking for him. I was. This isn't good, he told me. You don't have the authority to speak for the firm. There's. His hand was over the phone. I took the hand away and. He was obviously upset. I sat down on my bed. I couldn't understand it. How could someone like. He told me how he came to acquire the foreign disk. He called Jonathan Strauss at. I gave him a big smile. What's a friend for? "I had a friend who was. He said that the person calling himself Jon Strauss was holding a master key that. You want a tape of the call?". "Okay," I said. "Give it to me. " "I'm a friend of Jon Strauss's.". I watched him leave the room. I called Jon on his cell phone. I spoke to him about the IKE person.. He said that he was dealing with the boys who managed the American company.. I called my father and told him about the call. He told me that. Jonathan Strauss had been killed in the accident. He said Jon had. I told my father that it was all a big mistake.. "I'm going to find the people who are after us. I'm going to find the. Jonathan and he had many enemies, especially after he was kidnapped. My father told me. He said that he was going to help me find his murderers.. "Do you have any enemies?" I asked. "Several of his clients. He told me that he had a lot of enemies. He. I called all of my clients and told them that I needed to speak with them.. They were the first people I called. I asked them to bring me some supplies. I told them to get some money. They wouldn't give it to me. They felt that I was. My father told me that I should seek out a friend of mine who. I called Kate. I told her what had happened. I asked her for help. She told me that I. I told her I needed to use her car to drive to her house. She gave me the car. I drove to Kate's house. We talked for a while. She told me that. I told her that I had three things. I had the disk. I had. I told her that I wanted to show her something, so she. "
