Stereo Steinway Piano Crack

Each Sub (Chord/octave) of the sample is a Stereo Chord or an octave. You can use a Chord or an octave as a solo part, when you can choose the type of the note e. g. I as an individual note, or as a chord. This is a Stereo Piano, when you connect a Chord or an octave to the corresponding Sub you get Stereo. Percussion and sounds are triggered by the Piano Key and Sampler. The VSTi comes with a MIDI In/out that can be used to connect an external synth, effects, samplers or effects. The 9 positions are displayed as in the image at the bottom of the page. I hope you will like my Steinway Piano. If you have any questions I'm here to help you.
