Dive into the world of professional audio at UA. We've got the best traditional and tube equalizers, processing and effects for signal processing and recording. This UA web store bundle allows you to get the same UA hardware emulations as featured in this bundle for less than the cost of one individual UA hardware emulations product. This bundle is exclusive to mocrotrader.com and so will be one of the first bundles to drop when the market opens. UA offers an original collection of hardware and software emulations to help you achieve the ultimate performance from your plugins and processing, as well as provide full integration with your UAD Series USB audio interfaces. UA emulations of hardware and software plug-ins are used in studios all over the world and are the real deal. They bring all the warmth, character and presence of great vintage hardware to any software environment. Because of this, many of the best recording studios, live sound engineers and audio post engineers all use this exceptional suite of hardware and software plug-ins. UAD Plug-In Collection - You get more than 175 plug-ins for your Pro Tools session, includings. We're excited to announce we're offering a bundle featuring 13 essential hardware emulations we're calling the UAD "Complete" Bundle. Members save 60%, non members save 50% and all others save 40% through Sept. 16th. No obligations, no tracking info and no autorenew. UAD Custom 3 Bundle UAD Custom 6. Unive
