"Infinitrapp" is our 5th game using "Traitor Tools" and for this game they are the following:

- Characters Dice - You can roll as many as 6 dice, each of them with a different number of faces. 6 sided dice have 6 faces per side and is the standard die most of the time.**
- Card - This is the second most common type of cards in the game and they have anywhere from 3 to 9 faces per card. Each card also has a name.**
- Bag - The most common type of bag the player is using will have anywhere from 4 to 9 items. The items are placed in the bag according to their strength.**
- Sticker - This is a sticker that resembles the face of a sticker that is placed on the dice to represent each face.**

Traitor Tools The "Traitor Tools" as a group are for the following:

- Monsters Number - The number of dice you can roll in one turn for all the Monsters in the game.**
- Character - The name of the character he is going to roll against.**
- Opponent's Turn - The name of the character who will be rolling next.**
- Dice Roll - The character rolls the dice and "takes" the dice if d41b202975**

OTHER GAMES WE ARE MAKING

Official Game-jam Games: These titles were voted Best in Show by gamers during our Game Jam events. What are Game Jams? Game Jams are events where our developers race against the clock in a short time span (24-48 hours) to build a game from scratch to near completion. Although these events are solely for the fun and love of gaming, and these titles are not a feature release from Zugalù, we do take the titles that the community liked and after some extra love, release them so others may enjoy them as well! No new features are in active development for these titles, but if you do come across any bugs or issues, please let us know and we will fix them.

Totally Working Game (TWG)- is a 2D Physics- based Game, inspired by various Clicker titles, for wasting time and simply fooling around- also, it is a torture simulator of a gamedev, who made some... lame video games. Your aim is... not fully clear, as you just have to cause the gamedev more and more suffering, using G.I.F.'s (Game Inquisitor Foundations') torture devices.

special Features You Can Expect

- 7 Upgradable torture Methods
- 5 bonus helpers
- Over 20 various to-be-answered questions and perks
- 5

unlockable environments

What's new in Infinitrapp : Rehamstered:

! Pouf, naturellement? De la bonne. Donc, comment mon pouf a-t-il été réstéré? L'initiative remonte à l'an dernier, quand j'ai été prise par un déluge de colis liés à une expédition en Tchoudjakovo, en Crimée. Ça fait quelques années que je suis vraiment débordée, j'ai décidé de prendre de la distance, pour pouvoir trouver un nouveau mode de vie. Malheureusement, j'ai toujours du stress avec les colis, ça dérange pas mal l'organisation. J'ai réalisé que si je me concentrais sur autre chose, cela m'aiderait beaucoup. Que ça se soit un cluster, un livre, une bouteille de vin... Mais tout aussi craintif, mon cas était différent. Moi, les colis m'intéressaient plus. J'ai eu une idée, au moment où j'avais déjà retrouvé les moyens logiques de pouvoir les fabriquer en cas d'incertitude. Là, ça laissait à d'autres le soin de se couvrir des petites merveilles aussitôt. Moi, j'étais là pour le pouvoir! Ensuite, j'ai trouvé quelqu'un sur le forum qui s'intéressait, Jonka, et le contact a vite été réalisé. Il est resté très téméraire, j'imagine que c'est lié à la peur de ne pas en avoir assez. Je lui ai suggéré, face à son dédain, que ça vienne dans mon canapé-poubelle. C'est alors que j'ai amené mon canapé
