RTSGAMER.COM "It's a blast to play." RPGGEAR.COM "One of the most engaging RPGs you can play at the moment." IGN.COM "Just about every aspect of Elden Ring is great." PCGEMAG.COM "One of the most well-crafted and engaging RPGs to come along in the last few years." HADESMASH.COM "Elden Ring is an incredibly fun online RPG, with a lot of great content." MANGAKUS.COM "Toughest of the competitive online games by far." PLAY.ME "Play.net's latest and greatest is an RPG and it's been getting a lot of great early buzz." ODB.COM "Elden Ring is a welcome addition to the RTSGAMER's online RPG selection." Play.net Q: Is there an equivalent of a self-respecting concrete check for Scala's Any? I was struck with how I had the feeling my own code was unreadable this morning. So I wrote a couple of tests to check whether any of my methods returned an Any, then I found out that 99 out of 100 methods return an Any that is a subclass of the argument they were called with. So this leads to two questions: 1) Is there an equivalent of a self-respecting concrete check for Scala's Any? 2) Is 99 out of 100 cases of an Any of a subclass of the argument it was called with a common cause (e.g., someone who mixed up an implementation)? A: If a situation like this happen, it would be great if you could extract type from the Any and make it a type class: trait StaticType[A] { def typeSymbol: Symbol } val typeSymbols: List[Symbol] = List(classOf[java.lang.String], classOf bff6bb2d33

1. Map of the Lands Between The Lands Between are the world between the land of Mana and the land of Ooze. There are many different types of dungeons in the world and players can freely explore the dungeons with a character of their own. 2. The Features of each of the Races Elden Youth Elden Youth are young people who are destined to be Elden Lords. As they grow up, they are infused with mysterious power, and while they grow, they learn how to wield their strength through training. Elden Lord An Elden Lord is a fighter who wields the power of their race to cultivate the ability to use the forces of Mana and Ooze. As they increase the amount of Mana that they collect, their strength becomes heavier, and in the process, they are guided to guide their people. Hybrid Hybrid are individuals who possess the powers of two races. In most cases, their bodies and minds have been stolen by a demon, and they are treated like a half-breed. 2. The Maps of Each of the Races Elden Lord Players can freely move through the world, but the amount of Mana that the player has will determine the amount of movement speed. The Mana that the player collects will also change the appearance of a player's character. Hybrid In this game, the player can freely move through the world, and, as long as a player has a key, the player can access the dungeon. A player with a key can access the dungeon without obtaining Mana. 3. The Details of Establishing a New Character Create your own character and find out his or her character colors You can equip various items in the customization screen Each character has three main colors that they gain when they start out as a new character. A character's character colors form one of the three colors of the game. Equip the item of your character's color. The name of a character's color will change depending on the item that a character holds. When creating a new character, players can freely combine various items. 4. What's new in Elden Ring:

What is this game?

Take a look at the above image and tell me if you feel allured by the vast world of the Lands Between?

By rights, Tarnished only exists in the online realm, and living in the vast lands between them, you also live in a parallel world where time passes differently and everything is reflected differently.

But even in the online realm of borderland, hundreds of orcs and sea goblins are also born, and someday it may become a reality that the other players who live in the borderlands also participate in the online arena in the game...

Would you love such a dream of fantastic strangeness?

Then it appears that Elfcat games is the one who calls you.

**** We are looking for adventurers to participate in the online realm by way of PLAYERSHIP, and we desire to voice the thoughts of the remote participants.**

**** We would also like to draw your attention to the game's**

online features.

**** WE ARE CLOSED TO NEW INVITES**

How can I participate?

At the moment, creating a custom avatar is possible.

This is about you in terms of game system. There will be a section that will be opened in order to get updates, from early December 2013.

Among many exciting features, "Tarnished/The playership" will take place, building events such as special guests and other exciting surprises.

If you want to stay in advance, the following are recommended. Generate an agency that can accept invitations, and speak to the game creators to create an agency.

If you would like to participate, for information about guests or special events, write to our email: elfcat.discord.gg

What is it?!

Just looking forward to what might lie ahead of us...

Information on this Tarnished is newly revealed currently.

Tarnished will take place between the online and Tarnished/playerhood.
