Sponsored by the Orchard Park Library and Camillus Central School District, it was held on Saturday, April 21, 2018. The day's activities included building a Little Free Library in the center of Orchard Park, visiting the library and talking about little free libraries, sharing books, making art with the children and contributing books for the libraries' collection of children's books. "We are so grateful for the support of the New York State Teachers' Retirees Association, our sponsors and our volunteers," said Elinor Kenney, Chair of Friends of the Little Free Library of Camillus and Friends of the Library of Orchard Park. "It was wonderful to see so many people enjoying a day of DIY book-building, making new friends and sharing stories." Each volunteer attended a facilitated group that included showing how to build a Little Free Library. Those interested in participating or hosting a Little Free Library next year can contact Kenney at ekenney@gmail.com. The Orchard Park Library and Camillus Central Library are open seven days a week and staffed by trained Library Staff. The Central Library is also equipped with computers, printing and fax services. There is a Children's department with a full selection of books, games, magazines, CDs and DVDs and an extensive selection of children's videos. Updated on April 24, 2019 The Little Free Library Project started in 2008 by Todd Libby of Orchard Park, New York
