The company has been trying to convince people to buy the magazine by talking up the value. The April issue, for instance, added a special Mother's Day section with a different take on articles, a personal essay and photography by photographer Derek Blasberg who has worked with Hilton, Paris Hilton, and Gwyneth Paltrow, among others. A new series of short-form videos called Need more?, which will be hosted by Playmate Kendra Wilkinson, is also being explored. The company's Head of Erotic Lifestyle, Ulla Schaefer, has penned a book, A Closer Look: Breaking the

Rules of Sex , that opens up about her sexual awakening. On her website and in Playboy, she wrote that she's ready to share her story of exploration as she discovered what makes her "horny, curious, playful, and into both text and visual stimulation." First, the magazine was spending tens of thousands of dollars on a series of print features with Playmates. Second, they had a soft-porn photo session with a porn star, played up by the comedian, Ron White. When the picture and article appeared in a weekly supplement of Playboy in mid-April, it brought a firestorm of protest. Playboys always have been a long way from the female of the species. The first male name in the

masthead, Hugh Hefner, was a title rather than a name. Hefner was the middle son of the owner of a Chicago TV station, took over the Playboy magazine in 1953, and initiated "girlie" sex, showing images of nude women, on TV. The magazine is still owned by a family called Hefner. It is now a multi-tiered, multi-media empire, with Playboy films in video stores and on cable channels. Hefner still has an ownership interest in a publishing company that has a joint venture with \_Rolling Stone. By the way, Hefner's first wife says he never embraced women's liberation. In a recent TV appearance, she was asked what he was like as a lover. The first wife was admittedly disgusted by the second wife. "He
