On Saturday, an unnamed person from overseas asked if they could send a box of sweets to the people down the road as a small present of sorts. Inside the box were these delicious looking rice crackers, which some Reddit users think might be rice crackers from Brazil. People are flocking to the reddit post to point out that it's possible to get flat rice crackers outside Brazil. Although some of the comments suggest that Brazilian flat rice crackers are the same type of thing, it doesn't appear that they are the same product. As we mentioned in our rice cracker facts, Brazilian flat rice crackers are a different type. If you're looking for it, be sure to search for flat rice crackers. Amazon is the best place to look as most flat rice crackers are usually sold here. Amazon sells a great range of flat rice crackers. You'll also find flat rice crackers in supermarkets in Brazil. You'll also find flat rice crackers at US supermarkets, particularly large supermarkets which have a good range of Brazilian products. But do check with the supermarket first to make sure they have Brazilian flat rice crackers. If you don't, it would be worth shopping at a Brazilian supermarkets, so you can at least get flat rice crackers there. Why don't people know about flat rice crackers? Because they'
