Sky TV, the leading provider of Pay-TV entertainment and services, has announced the launch of its new sports streaming service “Sky Sport GO” for Android. With ‘Sky Sport GO’ users can download the ‘Sky GO’ app from Play Store and subscribe to their favourite action sports by paying only INR 999/-. Under this new subscription plan, users will get high-definition data up-front for free for one year, and can add a monthly subscription of only INR 999/- for an additional duration of one year. For prepaid users, the ‘Sky GO’ app is available for download from the Android app store. This new service offers users a great way to watch live and catch up on the latest matches in their preferred action sports – all from their Android device. Through ‘Sky Sport GO’, subscribers will be able to enjoy the following sports content: Soccer, Darts, Motorsports, Hockey, Cycling, Tennis, Badminton, Cricket, Rugby, Boxing, Martial Arts, Volleyball, American Football, Motorcycle Racing, Volleyball, Motorcycle Sport, Water Sports, Snow Sports and Basketball. They can also access the service content through their Smart TV devices. With the new service, Sky TV can now offer its customers to watch sports content on their Android device in HD. The app is available on Google Play Store for Android devices only. Sky can be subscribed to by downloading the app, filling out a registration form and paying only INR 999/- to enjoy hundreds of action sports. The ‘Sky GO’ app brings unprecedented live and catch-up on the new content to Android devices. Subscribe now to get high-quality action sports content on your mobile.

“Subscribing to our new sports streaming service is the best deal that our subscribers can get for watching games or live coverage of action sports content. In addition to Sky Sports content, there are a wide range of sports available, like football, basketball, cricket, tennis, hockey, rugby and more, with services available across the world,” said Amit Desai, MD and CEO, Sky TV. “Viewers can now easily download the ‘Sky GO’ app on their Android smartphones and enjoy their favourite action sports content. Sky GO is one of the first Indian sports streaming services available on Android, with many other upcoming ones expected to come up in the future,” added Desai. In a first for
