The inspiration behind this particular video is, believe it or not, also the winter snow. In the countryside, much of the snow is white and very beautiful, but so is the build-up of snow. And snow can build up quite a bit in the city, tooâ€"â€"especially in the inner city. In this video, you will see a number of different ways that the Images of winter are pretty commonâ€"the perfect soundtrack to the season, of courseâ€"but this video only focuses on the white part of winter. The black is also in there, of course, just not as much. In any case, you will see images of winter through the eyes of the cityâ€"but be warnedâ€"it might not be pretty. The following video is only a portion of Building anything requires a lot of workâ€"and so too, one would expect, does building a home. The red brick home seen in this video is the home of Mathew and Tanya Fox and their children. Their home includes a basement studioâ€"of courseâ€"in which the family produces much of the audio they stream on their site. You In the United States today, there are about 40 million people who live in rural areasâ€"and there are around 200 million people living in urban areas. While they live very differently, rural and urban have one thing in commonâ€"the almost immediate convenience of their location. Just about everythingâ€"when it comes to When you think about rural life, you have to think about what it means. First of all, there are different meanings for rural life. One such meaning of a rural area is where the population density is very lowâ€"this is the lowest-population density. Second, a rural area is usually a portion of a big city that has very Ginny Penney is the founder of her siteâ€"as far as she knowsâ€"the first about video and photography from the rural parts of America. A few years ago, she was in a meeting with the guy who would eventually become her business partner and husband. Heâ€"Terry Penneyâ€"had just moved to "the big cityâ€∏â€"and he was inspired by Rural life can be difficult�
