The listbox has an add button which I want to add the selected item to the listbox to a string array. I'm not sure how to do this. A: Let's say you have a string array called strArray, and you have a listbox called lbListBox. You can loop over the values in lbListBox and add them to strArray: For Each value As String In lbListBox.Items strArray(lbListBox.Items.IndexOf(value)) = value Next
