The main theme of the game is the relationship between East and West. To bring this theme to life, the scenario of the game was inspired by various myths and tales.

- ◆ **Factions** Jjang, Jegong, Xiong'ni, Unhlae

The game features the four factions Jjang, Jegong, Xiong'ni, and Unhlae.

- ◆ **Factions** The Four Factions Jjang East of the Mountains of Dawn, Jjang is where the royal families and nobles of the Jjang Empire reside.
- Jegong On the eastern coast, Jegong is a country that boasts of its mighty navy.
- Xiong'ni Immerse yourself in the vastness of the land between the two lands.
- Unhlae The land west of Jjang is the land of Unhlae. It was said that the land between is cursed.

- ◆ **Classes** Hunters, Archers, Warriors, and Mages

The four classes are Hunters, Archers, Warriors, and Mages.

- Hunters use pole arms like swords and arrows while fighting in the middle of a battlefield
- Archers use crossbows for easy shooting at long range
- Warriors use large bladed swords and heavy armor for close combat
- Mages are capable of casting powerful magic

- ◆ **Weapon Classes**

## **Gameplay Summary**

**Taking action in an RPG where your character casts "the Elden Ring" to obtain power. The central theme behind the story and gameplay is "Rebirth from Grace", and provides the player with the ability to fight out against demons and the world's corruption.**

Here's a shot of a village in the game. Most of the stories take place in bustling castle towns and places like them (starting from out of town). Some dungeons can be explored, but some of them are huge and tough, so we don't recommend that. This game can hold 20 players at the same time, so you can experience an

### **What's new:**

**The latest version of BigBen Interactive & SOPA's Elden Ring Online, Key Features - New online journey With the theme of “adventure,” the Elden Ring Online attracts new users from a young generation such as “Mcx123,” for whom the original game was released as a way of discovering themselves. The game offers an accessible online adventure that fosters relationship between creators and players. As the characters move through a vast world, you can chat with and help a variety of users. - Create your own fantasy adventure Through customizing your character’s appearance and the weapons and armor you equip, you can create your own fantasy world full of excitement. Adventure from beginning to end as you explore the Lands Between, the world where the characters come together. - Skill leveling up Train your skills by fighting monsters, gathering loot, or using magic as you advance through the game. Gain experience, the amount of which can be checked in-game, as you spend time in combat, gambling, or exploring the world. - Exciting Multiplayer Action Opposing and cooperating with other players, you can transfer the power of your characters and use those from other**

players. In addition to the 2D online battle mode, which lets you directly fight against other users, you can also play with your friends in shooting games in the real world. - Free Updates As new quests, monsters, and environments are added, players can enjoy their fantasy adventures even more. Should the adventurers of the online world need assistance, as the scenarios change, the worlds of those in the real world can be changed as well. As the players, you are asked to collect reward boxes from around the area. Crafting items appear as you increase your level. Collecting items that grant added effects, such as permanent buffs, increases your level even more. - New and Beautiful Design The graphics of the original characters have been improved to accurately reflect the fantasy world of the 20th Century. However, also from an art point of view, the game has a new full 3D character model, a new character character interface, and a new story scenario. Give users time Thanks to a seamless transition from 1 person to 4, the game manages to accommodate the quantity of simultaneously logged in users. Users can have fun independently, and also use the game in a group. With the Marvel fans all talking about Avengers: Infinity War two years away from release, it seems to be the consensus that Captain

set of any of the poker movies I've seen. Namely, winning or losing doesn't really matter. It's all about playing the game the way it's intended. Which means, if you like the game, you should play the game. It may not be for everyone. And it may not be a game you should play if you don't like the vibe. But if you're here, you can't help but enjoy the experience. That's what the magic of the table is all about. Cheating at the table, as I've noticed over the years, is a relatively rare thing. Sure, there have been cases of women wearing ladies' underwear under their bras and
