The twelfth main game in the Samurai Shodown series, it is the first mainline entry since 2008's Samurai Shodown Sen. The development team consists of .Heavily armed police have raided an upmarket Budapest neighbourhood as part of an operation against the "seven men who dare", Hungary's senior prosecutor has announced. The three-day investigation into a coordinated armed robbery at the Liberty Tree public garden underlines the seriousness of the gang's threat to the Hungarian state, according to the prosecutor's office. "In my view, all the burglaries were done in self-defence and the burglaries were provoked by police violence," said Gyula Péter Handó, a lawyer for one of the alleged perpetrators, Gábor Péter Péter. "[The authorities] provoked and provoked us." He said his client was on remand in a hospital with a broken rib and a broken arm. Prosecutors said the suspects were members of a "criminal gang", the investigation had been coordinated with foreign police, and the gang was
