**But now, we all know it is a legal battle rather than a war, the plaintiff's attorney is Garry Kephart does not want to be infringed, including Kephart, the plaintiff does not want to bankrupt itself by allowing the defendant to be a million dollars, or that the defendant did not want to be harmed if its product interests cancel the interests of its client. Recently, Kephart lost in the Canadian high court, Kephart to argue that Apple iPhone 4S is Kephart's personal invention, as it is a new development from the iPhone 4, which, according to the plaintiff, a reader which should be paid compensation for what he claimed infringement of his property, and that the court reject Apple's defence that the iPhone 4S is not as the development object has not come to notice after the introduction of the iPhone 4. On the other hand, the defendant says that the iPhone 4S is not the result of innovation, but the result of copying. Apple has not contested, and the patent arrived, in accordance with the standard form of the explanatory note, explicitly appears on the iPhone 4S package information sleeve box cover, the explanatory note, saying that you, the relevant content. According to the explanatory note: "Patent belongs to" I.fitness" Intellectual property company Apple (firm)"Intellectual property patent" I.fitness"Another Original": this is an Apple object to claim a royalty?
