## **Elden Ring**

In the game, the hero is a Tarnished, a sort of "Tarnished God" that wields two weapons, the Elden blade and the Elden shield. The hero is guided by grace, and the player controls the hero by assuming the role of the goddess who guides him. As the goddess, you are charged with organizing the hero's journey according to the myth, while giving gifts to the people who participate in the game. By properly utilizing the power of Grace, you will receive various rewards from the people and the underworld, and you will also receive the chance to increase the reputation of your hero. At the same time, you must be careful to avoid fate and overcome various challenges. If you let your guard down, you will be lost in the Trials of the Underworld and become a Tarnished, losing the Goddess Grace and eventually your own life. ▼ SPELLS GIVEN TO THE HERO ARE CREATED FROM GRACE, AND THE GODDESS IS ALLOWED TO USE ALL THE WEAPONS ALLOWED BY THE GRACE OF THE GODDESS VIRTUALLY. In the game, one of the reasons why the hero is a Tarnished and one of the reasons why the hero's weapons and spells are increased to many times the standard is to create a clear path to the hero's progression through saving the people. By acquiring many tools, the hero gains the experience that he needs to advance in each stage. ▼ FATE SELECTION CAN BE EASILY PERFORMED FROM ANYWHERE YOU WANT TO PROVIDE THE HERO WITH A SUCCESSFUL JOURNEY. In the game, each of the people in the world has their own desire. By learning the desires of the people and the expectations of the hero, you will be able to use fate to gather various items and information for use in the game. In addition, when performing actions for the people, you will gain opportunities to use the fate acquired. ▼ THE ENEMIES IN THE WORLD WILL JUMP TO INTERRUPT THE HERO AND MAKE THEIR ADVANCE TOWARDS THEIR ENEMY'S ADVANTAGE.
