I don't know why, but ever since I was a kid, when movies show people who have lived in the forest or by the sea since childhood, I have a feeling of something wrong. Their hair, skin, voice, the way they talk and move, and even their eyes. In our foreign language class at school we always had a teacher who lived in America, and everything was different fr
what we had at school-we all had dark hair, and she was blonde, and so on.
