"HyperMotion Technology allows players to have actions come alive on screen," said Patrick Gachelin, Head of FIFA. "This is further enhanced by the addition of Impact Engine 3 that allows the ball to exhibit more physical properties." To learn more about FIFA 22, and to watch the developer's reveal of the "HyperMotion Technology," watch the video below. FIFA 22 will be available on September 29 in North America, September 30 in Europe and October 2 in Japan for \$59.99 USD on PlayStation®4, Xbox One® and PC. will get no response." "But you can and will be reminded... that every single piece of technology is on the verge of ending your existence." "Your weapons are useless." "And your enemies... have the initiative." "Give up your nuclear launch codes." "You must start thinking about what you may be forced to do." "I wish you'd reconsider." "Mr. President," "I was prepared to kill you if necessary." "I was not prepared to kill your teenage daughter... for purely practical reasons." "However, I have learned that she is of age." "I therefore have to conclude that I can't kill her." "Then I'm left with killing you." "Don't shoot him!" "I'm the President!" "You're not the President anymore." "I'm the President!" "No." "You're not." "Give me the gun." "The gun!" "Stop him!" "Don't kill him!" "Kill him, kill him, he's the President!" "No, no, no, no!" "Stop him!" "Back away!" "Back away!" "Give up!" "It's over!" "Go!" "Go!" "What do we do now?" "The man who tried to kill the President is still alive." "I want him found." "Sir, I'm sorry, sir, I'm sorry, I'm very sorry, but I think we've lost him." "I'm sorry." "What happened?" "We lost him." "Mr. Bowman, what are you doing?" "Trying to make a point." "Point?" "Why?" "The President has ordered all West German armed forces to stand down." "You can't do that." "Why?" "Because she's the President?" "Yes, I'm sorry, sir." "Natalie, I'm not a fan of the Germans, but

## **What's new:**

- **Introducing “HyperMotion Technology,” the next evolution of player movement, “will enhance the player facing animation system using precise motion capture data to ensure incredible facial expressions and animation. This new framework will allow us to make player movements even more realistic, and create high-speed, high-intensity football while maintaining real-time gameplay.”**
- **Introducing off-the-ball movement using an improved physics solution and positional input system (“SIGNS”), as well as quicker recovery times and improved responsiveness of rival on-ball actions. You can now move faster with lower base speeds, making more movement features possible.**
- **Introducing smarter, contextual creation tools with brand new scenes out of the box, so that first time users of the Content Creator now have huge pools of content to use to unlock the rich potential of FIFA Ultimate Team.**
- **30 new stadiums, with two realistic lighting solutions to choose from and clear colours to help guide your play, make more room for play and compliment its on-the-ball movement.**
- **Create offensive, physical and playmaking midfielders, or control creative playmakers and playmakers in FIFA 22.**
- **Decisions on the pitch are now more unpredictable as players are able to play more ‘on the ground’ - creating more chances for attack.**
- **New ‘What If’ choices in the pre-match build-up sequence offer greater player focus in leading your team to victory.**
- **Play a smarter game with more intelligent play in FIFA 22.**
